

Social Work PhD Student Research Assistants Social Work and Field Education, Faculty of Social Work

Position Description

Area: Social Work and Field Education

Duration: Approximately 6 months

Start Date: As soon as possible

The *Transforming the Field Education Landscape: Intersections of Research and Practice in Canadian Social Work Field Education* research project, led by Project Director Julie Drolet, invites applications for three (3) **PhD Student Research Assistants in Social Work**. These positions will work remotely from home due to Covid-19.

Job Description:

The PhD student research assistants will contribute to “Transforming the Field Education Landscape: Intersections of Research and Practice in Canadian Social Work Field Education” (funded by a SSHRC Partnership Grant) led by Project Director Dr. Julie Drolet. The goal of this partnership is to integrate research and practice in the preparation of the next generation of social workers by developing partnered research training initiatives that enhance student and trainee research practice knowledge and applied skill development. Responsibilities include managing research ethics applications and amendments, managing a national study in Canada, analyzing data , drafting publications and reports, contributing to knowledge mobilization activities (peer-reviewed publications, conference presentations, webinars, workshops, etc.) and other duties as required.

Qualifications:

- Applicants must be currently enrolled in an accredited Social Work PhD program in Canada.
- Applicants are required to have relevant practice research experience and demonstrated capacity to work effectively in a collaborative environment.
- Experience in leadership, and training and mentoring of students is an asset.

Application Details:

Please send a letter of application, curriculum vitae, sample of published or other academic work, and names and contact information of two referees by **August 31, 2020** to:

Dr. Julie Drolet, Professor
