

Call for the 2021/2022 Field Research Scholars Program, Faculty of Social Work

Training Description:

The *Transforming the Field Education Landscape: Intersections of Research and Practice in Canadian Social Work Field Education* research project, led by Project Director Dr. Julie Drolet invites applications for a Social Work capacity building training workshops under the Field Research Scholars Program.

This program will provide participants with an opportunity to enhance their knowledge, skills, and experience in field education research while providing new avenues for professional development, relationship building and exposure to other innovative field research projects. Field Research Scholars will be able to present their field research project/initiative and will attend scheduled virtual seminars.

The training will be offered remotely and will run from October 2021 to March 2022, with a total of 13 biweekly virtual seminars. Field Research Scholars will be provided with a \$500 honorarium.

Who Can Apply?

Social work graduate students (MSW/PhD) and postdoctoral scholars in Canada and internationally who are passionate about research in field education.

Application Details:

Apply by submitting the following to tfelproject@gmail.com and tfelproject@ucalgary.ca:

- Resume and cover letter
- A 100–200-word statement including your name, address, level of education, institution, topic/area of interest and why you are interested in this program.

Closing Date for Submission: 20th September 2021
